Northern Bruce Official Plan

An article on page 7 of The Bruce Peninsula Press #11 July 26 to August 9, 2011, discusses public meetings to be held to seek input on the community's official plan currently scheduled in our area for Saturday August 27, 2011 at the Ferndale Park & Information Centre from 2pm to 4pm. We strongly encourage you to attend as this is one way of influencing the direction of our community over the next 20 years. Many of the IBPOA executive will be attending and with what we learn and with input from you we will likely create and submit a written document at some point in the process. Your comments would be invaluable. Remember, if you have concerns now this is one way to influence the process, and if you do not participate you can hardly be taken seriously if you object to the direction at some point in the future.

Membership News

Your response to our calls for membership renewal has been terrific. In the past 6 days since our last email newsletter membership has increased to 68 and several other folks have promised payment. In fact, this is happening so quickly we are having trouble keeping our official records current. So if one of the executive knocks on your door and you have already paid don't take it as a personal affront – we are not picking on you. And if you have not paid yet, simply give a cheque for \$30 to any one of the executive or drop it in the mail to Bruce King at Box 128, Lion's Head N0H 1W0

One further note regarding the perks of membership. We are currently sending these email updates to all folks who have provided their email addresses, whether or not they are current members. At some point this fall we plan to discontinue this practice and communicate only with paid up members.
