Subject: Isthmus Bay Road News

You are receiving this email because you are a current or past member of the Isthmus Bay Property Owners Association Inc. If you do not wish to continue to receive such information from the Association just reply to this email with a brief note to that effect and you will be removed from the distribution list.

My informants tell me that the loose gravel on Isthmus Bay Road is due to be swept off tomorrow. Now this is Lion's Head so tomorrow might turn into the day after, or the day after that, but you should be aware when it happens there may well be more dust – but hopefully for the last time this year. So you might want to stay alert and close your windows when the sweeping starts, at least on the road side of your residence. Also it is probably not a great time to hang your clothes on the line.

If you know your neighbours do not have computer access would you mind popping over and advising them of this development.

Thanks.

And I would be remiss if I didn't remind you of our Annual General Meeting at the Friendship Centre on Saturday at 10:00am. We look forward to seeing you all there.

Bob Cunningham
