

IBPOA- Delegation to North Bruce Peninsula Council

Sept. 22, 2008

As directed by the executive, Kathy Burns & Bruce King attended the NBP Council Meeting to represent the Association.

Bruce King presented the following remarks:-

'Mr. Mayor, Councillors & Staff:- Thank you for the opportunity to speak with you today. My Name is Bruce King, Treasurer & joining me today is Kathy Burns, Secretary of IBPOA. Mike Noble, President & Don White, Director send their regrets as both had unexpected events that intervened today. Denise Callaghan is also a Director.

This is simply a meet and greet opportunity to bring council up to date & to express our members' interest in being part of any future planning initiatives as may be related to any upgrades or alterations to Isthmus Bay Road.

The new executive is striving to revitalize the association & I am pleased to tell you that membership is at an all-time high; at least from records I have from the last decade or so. All of the executive have or soon will have their principal residences here in the Isthmus Bay catchment area & are anxious to usher in a new era of communication & co-operation.

We apologize for not inviting Mayor and Council to the 2008 AGM, but felt it was necessary to initiate a re-organization and rejuvenation of the association first. I am pleased to give you the date of the 2009 AGM, **Sat. July 18th** and a formal invitation will be extended to all of council. The members appreciate the opportunity to hear first hand, topics of current interest regarding the entire municipality. We are planning to have an enhanced agenda of speakers & displays.

I believe that Don Snow has been in touch with Mr. Rydall (Roads Dept.) & he is at your service to act as an appointee to a future planning committee if that meets with the approval of Council. Thank you again for your kind attention & please let us know if we can be of further assistance.

-The Mayor confirmed with Mr. Rydall that he had spoken with Don Snow and he indicated since there is no project in the 2 year road plan, no committee, as such, exists at present time. I re-affirmed the desire of members (as documented in AGM minutes 2007 & 2008) to be represented & an acknowledgement of this request would be appreciated. We were thanked by the Mayor for our presentation.
